

Bringing
tech&science
closer to people

An international campaign celebrating the greatest explorers and inventors, as well as the world-changing projects they are working on.

Hi there, tech owner! Working on something extraordinary?

Submit your innovative project and bring tech&science closer to people with us!

- **Join the global movement of doers&makers**
– present your innovative product or technology to over 2 000 000 people worldwide
- **Showcase your project** – fill in the simple online form and create a stunning, interactive project card within seconds
- **Get international recognition of your work and accomplishments**
– from Norway to Australia, Japan to USA
- **Receive ideas, cooperation proposals, business offers** – tap into a global network of like-minded people, boost your networking and reach new markets
- **Become your category's champion** and win even more awesome awards

SUBMIT YOUR PROJECT at **WWW.CLOSER TO PEOPLE.COM**

APPLICATION DEADLINE IS DECEMBER 31
