
Scholarship Offer in the frame of OPUS project

Organisation: West Pomeranian University of Technology in Szczecin, Faculty of Chemical Technology and Engineering, Department of Nanomaterials Physicochemistry

Position: Scholarship holder/PhD student

We are looking for a highly motivated candidate who would like to work in the frame of OPUS project “Green and cost-effective strategies to recycle polymer wastes into value-added carbon nanomaterials and their potential applications”, under supervision of dr Xin Wen.

Conditions of employment: Successful candidate will be granted scholarship of 2380 PLN/month for 24 months under the conditions written in the NCN regulations with the possibility of extension.

Research tasks:

- Recycling of PP, PE and PS into carbon nanomaterials and explore their applications in microwave absorption materials, adsorbing dyes and heavy metals,
- Characterization of carbon nanomaterials according to the research plan
- Analysis of the experimental data
- Contribution to writing scientific papers

Requirements:

- Master degree in Chemistry, Chemical Engineering, Nanotechnology or Materials Science
- PhD student at Polish university or student at doctoral school (there is a possibility to undertake such studies at ZUT Doctoral School) at the start date of the engagement
- Experience in the lab work
- Solid knowledge and experimental background in polymer and carbon nanomaterials
- Prior experience with other high-tech research equipment used in the project (FTIR, SEM, TGA, etc.) will be a strong asset
- Excellent written and spoken English skills
- Ability to work in a team

Application Deadline: 06.04.2022, 12:00

Application procedure and contact:

Candidates should send their CV and letter of motivation to: nanotech@zut.edu.pl or deliver them personally to the Department of Nanomaterials Physicochemistry, Piastow Ave. 45, room no. 1/32 till April 6th, 2022. The CV should contain information about prior scientific achievements (the list of publications, participation in conferences, internships and participation in other research projects). Please include in your application the personal data processing agreement.

Thanking all applicants for their interest, we will contact only selected candidates April 8th, 2022.
